MULTIPLE SCLEROSIS AND CNS INFLAMMATORY DISEASES

BELGIAN SOCIETY  
OF RADIOLOGY

Groupe Belge d'Etude de la Sclérose en Plaques asbl  
Belgische Studiegroep voor Multiple Sclerose vzw

Dear Colleagues,

On behalf of the **Belgian Society of NeuroRadiology** (BSNR) and the **Belgian Study Group for Multiple Sclerosis** (BSGMS) we are delighted to invite you to participate in the forthcoming **Belgian MS Symposium** (BMSS) which will take place in La Hulpe (Bruxelles) on **Saturday 29<sup>th</sup> of October 2016**.

The world of multiple sclerosis has changed: new therapies and new advanced neuroimaging techniques have emerged. The 2016 Annual BMSS will offer a comprehensive and exciting scientific program reflecting the evolution of MS care and research with special interest on optic neuropathy and pediatrics MS . While MS is the main focus , there will be talks on other inflammatory CNS diseases.

Please mark the BMSS 2016 in La Hulpe in your calendars and confirm your attendance via the response card in attachment.

We look forward to welcome you on the 29<sup>th</sup> of October.

With kind regards

**Dr Jean-Flory Luaba Tshibanda**  
**BMSS Coordinator**

**Dr Pierrette Seeldrayers**  
**BSGMS President**

**Dr Patrice Jissendi**  
**BSNR President**
